TECHNICAL SPECIFICATION

Material	**Wet-formed mineral fiber**	Light reflectance	**87%**
Color	**White**	Sound absorption	**NRC0.5**
Sound attenuation	**CAC30**	Fire reaction	**A2(GB 8624-2012)**
Humidity resistance	RH80	Weight	**4.5kg/m²**
Warranty	**10 years**	Thermal conductivity	**R Factor-1.5**

*Size and thickness can be customized
